**STUDENT ADDRESS FORM**

It is important that the department maintains current information on file for each graduate student. **Complete the form below, print it out, and return it to the Electrical Engineering Graduate Programs Secretary. You must also notify the Office of Records and Registration at 232 Capen Hall of your current address.**

New international students are asked to please notify the department office of your Buffalo area address and phone number. As soon as a permanent social security number is obtained, please see that the department office is notified of this number.
